***Fairchild Holdings Ltd.***

"The Spirit of Enterprise," this is what Fairchild Group is all about. Fairchild is engaging mainly in four different segments of business, this includes real estate development, construction and management; television and radio broadcasting; retail and service oriented business enterprises; and China trade. Fairchild Group has firmly established itself in the business community in Canada and believes that it can play a major role in bringing Canadian technology, know-how, equipment and equity to matching opportunities in China to foster a win-win situation for all sides. Fairchild has properly capitalized a public entity listed in the Vancouver Stock Exchange as a vehicle to raise further funds as needed.

***Saint Germain Bakery (Canada) Ltd.***

Saint Germain Bakery opened in 1984 in Vancouver, and has since developed into a chain of retail stores. These stores uniquely amalgamate bakery techniques of Japan, Hong Kong, Europe and North America and offer premium packaging. St. Germain has attained tremendous success in serving both North American and Asian customers. It now targets its expansion not only in North America, but Asia in the foreseeable future.
